President's Message

Reunion 2020, August 21st-23rd, is fast approaching and we are hopeful for another great turnout of Grads from all years and from the decade classes ending in '0'. Imagine, 30, 40, 50, 60, 70 and 80 year grads returning to Truro, where it all began, your days as a student at Normal College and NSTC. All years are welcome each year!

Wonderful it is, for all to gather for a weekend of fun and fellowship each August, where many Grads have not seen fellow classmates since graduation. Looking back on years of teaching, it is rewarding that you have valued the friendship and camaraderie of your classmates and welcome seeing them at your Reunion each year.

My fourth and final year as Alumni President, I have enjoyed my position. I have had the great pleasure to have met so many of you and have sincerely appreciated your friendship. My goal at the beginning was to increase communication to our membership and also, to reach out to individuals who were not aware of our Association. I am happy that we have made progress in this area. As well, my hope was for Area Reps to be vigilant in their respective areas to get the word out to ever so many graduates. Communication is the key.

Connecting with graduates is of the utmost importance if the Alumni Association is to thrive. Without membership dues each year, we could not continue. Encouraging it is when we receive an email from a graduate of the Normal College, living in Vancouver, who excitedly commented, 'I never knew my old college had such an Association and I am only too happy to become an Alumni member'. Great work from an area rep, who posted the information on radio and the lady heard it via satellite radio.

Reunion canceled due to COVID19.

Membership is vital to the Alumni Association of NSTC and although we get asked the question, 'what do I get for my \$25 membership?', quite simply, without 'Dues' we could not continue as we are providing Reunions from year to year. Further, Membership Dues keep the Reunions, and communication going!

A special thank you to those who attend the Reunions each year. All would agree that they enjoy themselves and to have the opportunity to rekindle those memories with their fellow classmates. Regrettably, we lose members each year, those who have passed on and those who through health reasons, are unable to continue, yet, we are thankful for their past contribution to attend the reunions and to support the Alumni Association.

Since our last newsletter of 2019, we have been busy contacting graduates and receiving new memberships. Already the Home Economics class of 1971, are gearing up for their 50th Reunion 2021 in Truro, so that is encouraging to hear!

Reunion 2019, was a huge success and we were honored to present an Honorary Membership to 1950 graduate, Nova Bannerman, for her tireless work to maintain the Barney's River Station School House Museum. Well done, Nova!

Commendable is the ongoing effort of the Little White School House Museum, in Truro, for their ongoing work to preserve historical documents and to be a contact for hundreds of graduates searching for information.

In closing, my sincere thanks to all of you who supported me and who support the Alumni Association. The Alumni could not thrive without your ongoing support and attendance at the annual reunions. Keep up the good work!

Sincere good wishes to you all!

Margie MacIntyre, '78

There were no Errors or Omissions. Margie declared the minutes of the AGM 2018 approved.

Business Arising from Minutes

Barbara Fris – Fundraising concert by retired teacher and opera singer is confirmed for April 25, 2020. It will be held at the St. James Presbyterian Church in Truro. Barbara is a 1977 music grad of NSTC. The Alumni Association will receive 50% of the proceeds from the concert.

Constitution Notice of Motion – Helen MacDonald (Acting Past President) stated that The Executive Council recommends the following changes to the Constitution:

That the motion (2018) that changed the Constitution to include Article III Section IV (Honorary Membership) stating that a) Presidents of the Association upon their election to office, b) Those members who have served on Council for twenty (20) years or more, be Honorary Members, **be rescinded**. This motion when moved and seconded

will require a majority vote. This means that the President or the people with Honorary Membership cannot hold a vote. The best answer is that the motion be rescinded.

Helen moved that the motion be rescinded, Marg Dawe seconded, motion carried.

President's Report – Submitted by Margie MacIntyre

Reunion 2018 was a great success, with many alumnists telling us how much they enjoyed gathering and meeting and seeing so many friends, especially after so many years. When feedback tells us how much fun they had, then we have reason to believe that our annual gathering remains a popular summer weekend, for those wanting to rekindle their friendships after so many years.

So far, 2019 has been a busy year, getting emails out to our Alumni, Bob sending emails and packages to all grads interested in this year's celebration of all years ending in '9 and lots of phone calls! Glad I have a long-distance plan!

Membership remains vital to our Association. Without financial support, by way of membership, our quaint little reunions and contacts with our Grads to distribute newsletters, would not be possible. Please consider keeping your membership going, even if you cannot attend a reunion each year. Membership Dues are \$25 per year, or \$100 for 5 years.

Despite Social Media, contact is vital, if the Association is to remain alive, so support is vital. While the concept of a reunion is an old idea, people still enjoy the weekend in Truro, making that connection yet again. It was my goal when I became President, to work on ways that we can better promote the Association, so hopefully most of you are either hearing from us via emails, the RTO Magazine and at your monthly RTO meetings throughout the province.

The response to Reunion 2019 was most favorable, yet due to previous commitments, numbers are down. Rewarding it is that so many graduates are coming on board now, but that must continue. It is obvious that the newer grads of the 1990's and 1980's, have very little interest in being a part of our Association. Tragic, yet for those of us still enjoying being an Alumnist of NSTC, they continue to offer financial support and their presence at Reunions, makes us tick. Thank you to all who contribute in one way or another by way of financial support and that

you remain in close affiliation with us.

Many graduates have given much to their respective communities as educators, either in the teaching profession or in other ways, while enjoying retirement. Nova Bannerman, Class of 1950, has been the backbone behind the Barney's River School House Museum. Days on end, Nova can be found at the museum explaining those good old days of learning to ever so many tourists. We are honored this year, to acknowledge Nova's contribution as an 'Honorary Alumni Member Of NSTC'. If you know of others who are out to pasture enjoying retirement, 'in their field', please contact us!

Thank you to the members of the Little White School House, who work so hard to preserve the past, while providing valuable information to so many people tracing their family roots, including the teachers in their families, as they delve into pictures and recorded material.

I wish to acknowledge the Executive Council who work with me as members of the Executive Council of NSTC. Lastly, my deep appreciation to our membership for your unwavering support from year to year. I have enjoyed speaking with you on the telephone and it is wonderful to finally meet during a reunion. Remember, we need your continued support, as you renew your connection to Truro and College days!

Bob Jordan moved that the Treasurer's Report be accepted as presented. Sue Kent seconded. Motion carried.

Secretary's Report – Submitted by Kelly Ells I would like to thank Faye Arnfast for taking the Fall 2018 minutes, typing them up and submitting them on my behalf. It was truly appreciated!

I thank everyone for submitting their reports to me in advance of the meetings. If possible, could people submit their reports in Microsoft Word format as that is how they are typed. Some people submit in other forms (zip file, google doc., etc.) that I am not able to even open. It would make typing the minutes much more efficient on my end. Thanks in advance!

Correspondence

Bob Jordan read a letter he had received from a 70-year grad Margaret Goodwin, class of 1949. She sent her regrets as she cannot travel any longer and so could not attend the reunion. Kelly Ells reported there had been no correspondence to/from her.

Publicity Report - Submitted by Margie MacIntyre

Since Reunion 2018, I have been making contacts via emails and contacting RTO's through out the province. As well, I have completed phone calls to Grads ending in '9, in advance of this year's reunion.

Responses have been very favorable, although with life's busyness, it is not always possible for Grads to attend.

I contact Area Reps with information and all Reps were issued a poster to print and circulate within their respective Rep areas. Reps were responsible for completing and carrying out their own methods to advertise the Association and Reunions One such area, was to contact NSTU in their areas.

I contribute information to 'The Teacher' newspaper for publication three times each year.

As well, through the RTO magazine continues to provide coverage in their publication at various times through the year.

Contacts have been made to newspapers.

I invite you to access our website www.nsteacherscollege.ca and check out Facebook sites at Nova Scotia Teachers College—NSTC . You can even access your own grad year, at least there are several years, such as NSTC Late 80's and Friends and more.

Surprisingly, however, is the fact that there are still many graduates who have never heard of the 'Alumni Association Of NSTC'. So, we need to address this and work on finding long lost graduates, but we can only find them if you contact us if you know the whereabouts of your fellow colleagues.

At present, I am perusing the 1970 year-book, trying to trace the whereabouts of the '70's grads and have been happy with the treasure trove of names. Now, here's hoping that they will become a part of our organiza-

tion and return to Truro for their 50th. What is wonderful about contacts, is that people are so appreciative to have been found. Thank you for your kind words of support and encouragement, folks! Delighted we are, that in April of 2020, Barbara Fris '77, music grad, will donate a concert to our Association and St. James Presbyterian Church in Truro. Watch for the date in April! Barbara is a retired soloist from the Canadian Opera Company.

Reunion 2019 – Submitted by Marie MacIntyre and Bob Jordan

Bob reported that we have a total of 136 people attending the reunion. There are 4 from 1949, 37 from 1959, 46 from 1969, 17 from 1979, 3 from 1989 and 29 from other years.

Newsletter – Submitted by Katrina Andres Murphy

This has been my third year as editor of the newsletter. Each March, Bob and Margie send me the information to add to the newsletter. It takes me about two days over March Break and several evening revisions to compile their documents into the newsletter. Bob then emails the Newsletter once it is completed. I think that we have done a good job condensing some of the meeting minutes so that the Newsletter isn't as long and text intensive. Thanks to Margie and Bob for all their support and reminders.

Facebook – Submitted by Faye Arnfast

I continue to administer the Facebook group and promote the alumni Association by posting photos and info that alumni may be interested in. We are up to 892 members. Please invite any alumni on your friends list to join. It is an easy way to stay connected and keep our Normal /NSTC memories alive.

Website and Twitter – Submitted by Darren Fancy

Over the past year I've updated all information sent from the Alumni Association. This included updating 2019 guest speaker's photos and biographies, Reunion 2019 agenda, editing and updating faculty obituaries and adding the 2018 Newsletter. I'm thankful for the tech support from Sandy McDougall over the past year in navigating the website. Any posts on the website and Facebook were tweeted out as well.

Nominations - Submitted by Helen MacDonald

According to our Constitution, the term of office of the Treasurer and Secretary and area representatives Shelburne-Queens, Lunenburg Hants West, Pictou - Antigonish Guysborough, Inverness-Richmond, Out of Province, shall become vacant in odd calendar years. The out of Province this calendar year is Quebec-Ontario and Atlantic (not filled last year) Thus these are the positions that will be open for nominations. To those who have served in these positions, thank you very much for your service and hopefully you are willing to reoffer.

All representatives whose terms are up were contacted and asked if they would reoffer for another term. Nominations for the positions can be made from the floor.

David Kokocki has indicated that he will not reoffer for Lunenburg Hants West, nor as Vice President. He was not able to find a replacement.

Darren Fancy has indicated that he will stay as rep for Ontario/Quebec but would like someone to take over the Website and the Twitter account.

Margaret Dawe will no longer be able to continue as rep for Shelburne-Queens. She has made every effort to find a replacement. Robert Jordan is willing to continue as Treasurer.

Katrina Murphy is willing to fill the Vice President position as well as Website Administrator. She is also Newsletter Editor. This will mean that her position as Cumberland Colchester-East Hants rep will become vacant.

Kelly Ells is willing to continue as secretary. To the date of submitting this report, these are the responses I have received.

Nominations and Elections for the positions indicated will be conducted per the Constitution.

In closing I would like to offer my thoughts on the position of Area Representatives.

In 1947 Allison Dalton compiled the suggested duties of the Area Representatives. In 2014 the list was revised to reflect the current communication strategies available. As means of communicating have continue

to evolve, it may be time to revisit the concept of Area Representatives. It may be a worthwhile exercise to conduct a thorough discussion during our fall Council Meeting. As you know, Area Reps fall under the By Laws (4) so if any changes are recommended, it would require a 2/3 majority vote of the members present at AGM 2020. Dan MacLean, class of 55', reiterated the need to revisit area rep duties if we are to continue as an association.

Constitution – Submitted by Helen MacDonald

During the last AGM, some motions were passed that were contradictory to other parts of Constitution/By Laws.

If Honorary Membership (Article 111 Section IV) is extended to Presidents and those members who have served on Council for twenty years or more, then as Honorary Members they cannot vote or hold office. (Article 111 Section V b). This would not be possible for the President and other members that may hold other positions. Another way of recognizing such individuals will need to be determined.

Pursuant to requirements under Roberts Rule of Order / Article X of the constitution, notice of this motion was given in the March 2019 Newsletter, page 9.

The Executive Council recommends the following changes to the Constitution. That the motion (2018) that changed the Constitution to include Article III Section IV (Honorary Membership) stating that a) Presidents of the Association upon their election to office, b) Those members who have served on Council for twenty (20) years or more, be Honorary members, be **rescinded**.

This motion when moved and seconded will require a majority vote.

Margie declared all reports received and accepted.

Area Rep Reports:

Cumb-Col-East Hants: Katrina Murphy

I have reminded alumni through emails and Facebook Messages. I made contact with some people from her class of 1989. I also have talked to teachers in CCRCE who I work with and tried to convince them to come to the reunion. Unfortunately, I have been working on Master of Education this year and found that I did not have a great deal of time to make additional contacts.

When I meet with retired teachers, I remind them of the reunion and what a perfect opportunity it is to meet up with former classmates and to renew old acquaintances.

Shelburne/Queens: Marg Dawe

I attended the Board meetings in November and April. Posters were copied and placed in staff rooms and Malls as well as being sent to local NSTU meetings. I was given time on fall and spring agendas for the RTO meetings in our region. I encouraged all graduates of Normal College and NS Teachers College to attend even though it may not be "their year" as the programs and meeting are for everyone. I gave out agendas and registration forms to anyone interested. They were also advised to check the Teachers College site and the RTO and Teacher newsletters. Some personal contacts were made and hopefully some are here at Reunion 2019.

Halifax: Sue Kent

I spoke at a number of RTO Meetings and told them about the reunion. I put a notice on each table. I went around at the end of each meeting to pick up any notices that were left. A few notices were picked up at each meeting. I want to thank Mary Hammond for speaking about the reunion for me at the Annual RTO Luncheon in May and the CPX Group Spring Lunch. CPX is the Halifax Ladies Retired Teachers Group. I also spoke at a multi group luncheon in March. It consisted of 3 RTO groups, namely Halifax City, Dartmouth, and Halifax

County. It also included our CPX Ladies Retired Teachers Group. I had the notices on the tables at that luncheon also. A few people took a notice. I put a notice in The Flying Cow. It is a pamphlet put out once a month. They put it in all 6 of their Flying Cow Papers at no charge. The papers include **Halifax Flying Cow, Dartmouth Flying Cow, Bayers Lake Clayton Park Bedford Flying Cow, Sackville to Airport Flying Cow, Annapolis Valley Flying Cow, and Yarmouth Flying Cow.** They put it the April May, June, and July edition of their paper. I had a notice put in Parkview News. It is published once a month. They printed it in their May, June, July and August paper. I also put a notice in Chebucto News. I had it announced on Seaside FM Radio. I would like to thank Alyson Hillier, our RTO vice president, for putting a notice about the NSTC Alumni Reunion on the RTO Website. I would also like to thank Avon Cox for taking alumni reunion material to Musquodoboit for me. He gave it to Jane Parker to distribute in the area. My hairdresser put a notice in the window of her shop, Sophia's Hairdressing, on Oxford Street. Everywhere I go I talk to teachers and tell them about the reunion. There are a few Normal Collage Graduates at the church we attend. I talked to them and two have registered for the reunion.

Kings/Annapolis: Kelly Ells for Krista Wright

Things I have done to represent the Alumni Association:

Put up posters at community bulletin boards in my area: Annapolis, Bridgetown, Middleton, Clementsport, Kingston Post offices-Community bulletin boards in same towns.

Shared a poster and will be created event on Annapolis Local NSTU Facebook page. Have shared information about NSTC Reunion on my personal Facebook page. Forwarded a poster to our RTO President to promote at meetings and put in newsletter. Sent announcements to the local papers- Valley Harvester and The Reader- Passed on information regarding NSTC Reunion to any fellow grads that I have encountered Margie Russel, class of 59' stated that she will relay the reunion information to the "Not Back to School Group", breakfast and Xmas party members in that area.

Lunenburg/Hants West: Kelly Ells for David Kokocki

-Contacted and placed ad in South Shore newspaper- Lighthouse Now for free ad space to advertise this year's reunion

-Distributed dues forms to known TC Grads I encounter leading up to the Reunion - Promoted Reunion at October Conference 2018.

Northside/Victoria/Cape Breton: Norma Marsh

I distributed our posters around the district and at most gatherings I have attended, I brought up the topic of attending our Reunion. I have made numerous telephone calls to the retirees in our area, reminding them of this way of keeping in touch with our fellow teachers, by getting together once a year. I have shared my experiences of attending past reunions and the memories I have enjoyed from this contact. Steve Zwaren, class of 59' will give some information to Norma to help to get the word out in his area.

Pictou-Antigonish-Guysborough:

Sally Strutyński - No Report

Ontario: Kelly Ells for Darren Fancy

Over the last year, thanks to the list of "honoured years" from Bob Jordan, I reached out to those on the list. I sent reminders and the link to the Alumni webpage encouraging them to update their membership dues as well as reminding them of the upcoming Reunion for August 2019. Those that had limited contact information I searched for on Facebook and messaged them privately with the same information. I did field inquiries to those that responded. With such a vast area to cover and the expenses associated with placing ads in teacher newspapers and magazines, I don't pursue that avenue to get the word out. I look forward to the upcoming year.

Western: Kelly Ells for Lisa Mason

Sent another update through local presidents in BC before I left in June. Posts about reunion on Facebook.

Margie declared the Committee Reports be accepted.

Little White School House: Faye Arnfast

The Board of Directors for the LWSH Museum meets each month. Below are some items that directly affect the NSTC Normal College Alumni Association.

There will be a silent auction at the Schoolhouse Museum during the **alumni reunion weekend August 16-18.** Items will be

dropped off between 10-5 on Friday, auction runs until 4 on Saturday and pick up between 4-5pm on Saturday. **UPDATE:** David MacKillop and I met in July and decided we would sell tickets on a Joy Laking painting after approval from the alumni executive as auction items were down this year.

There will be two students there to answer any questions the alumni may have while visiting the Museum.

The Museum will employ two students and will be open from June 1st through to the end of August from 10-5, Tuesday through Saturday. There will be a tea & cheesecake for \$5 each Tuesday afternoon during the Summer. I have attended and volunteered, and it was lovely. The students will continue to upload information on the alumni to the website so be sure to check it out. David will be displaying a PowerPoint presentation about the LWSM at the reunion on Friday evening.

Please promote and visit the Little White School House Museum to keep our alumni history alive. An amazing amount of information and photographs of the Normal and NSTC alumni and faculty can be found at the Museum.

The LWSM wants to continue to keep a strong connection to the Alumni Association. Any further questions and/or concerns about the LWSM please email me. arnfast@eastlink.ca

NSTC Foundation - [Submitted by Margie MacIntyre](#) for Sandy McDougall

Introduction

The Nova Scotia Teachers College Foundation was established by an Act of Legislation (Bill 35) which was given Royal Assent on December 3, 1998. The first Board of Directors was appointed in May 2000. The Nova Scotia Teachers College Foundation was established to administer the scholarships and awards of the former Nova Scotia Teachers College. For 143 years the College prepared teachers for the province's schools. Many people donated to the scholarship and award funds of the Teachers College to assist student teachers. The Nova Scotia Teachers College Foundation, through its awards, is helping to preserve the memory of the College and honour some of those who contributed to its success.

Activities

During the 2018-19 cycle, the Board of

Continued on page 9

Directors of the NSTC Foundation met twice. After a lapse in membership and the death of the former (and only previous) Chair, David White, there was a need to regroup and make some decisions. The new Chair, Alexander MacDougall, held a meeting of the Directors to discuss process, awards, financial situation and to consider promotional material. Although it was a late start it was decided to communicate to the Universities as quickly as possible and attempt to determine recipients in the spring. The attempt was bountiful with the most applications being received in nearly a decade. The second meeting provided time for the Board to review applicants and determine recipients.

Awards

The Nova Scotia Teachers College Foundation made eight awards to eligible students. Each award was in the amount of \$500.

Award Recipients - 2018-19

Bio for Lois Urquhart Musselman Speaker for Nova Scotia Teachers College Reunion 2020

Lois grew up on the front porch of Cape Breton, graduating in 1967 from Port Hawkesbury High. In 1969 she completed her Specialist Teaching Diploma in Home Economics from NSTC. Her first school was Sir Robert Borden Junior High in the new community of Cole Harbour. During her early years of teaching Lois taught Scottish Country and International Folk dancing and became a certified Instructor in both dance disciplines. Where ever Lois taught school she gave dance classes for students and the community and mentored other dancers to become certified dance instructors.

In 1972 Lois transferred to Graham Creighton High School. As a continuing education student she started to complete her degree in Home Economics at Mt. St. Vincent Univ. She received a position teaching Home Economics at Baden Senior School at CFB Baden Soellingen in West Germany in 1975. Those three years were the highlight of her career. Returning to Halifax County School Board brought her to the new Gaetz Brook Junior High. When the new Cole Harbour High School opened Lois transferred there to teach again with many of the staff from her previous schools.

In 1979 Lois married Dr. Ken Musselman whom she met at CFB Baden in Germany. Ken and his daughters, Joey Lynn and D'arcey (ages 9 & 13) moved to Dartmouth. They welcomed a baby sister Lyndall in 1981. The Musselman family was posted in 1984 to CFB Borden and lived in Barrie Ontario. For two years Lois taught Grade 7 & 8 Home Economics on the base at Alexander Dunn Public School. In 1986 Ken was posted to CFB Downsview, Toronto to complete his Masters in Public Health Dentistry. Lois accepted a position to teach Home Economics at Huron Heights in Newmarket for two years and then the third year she taught Family Studies and Religion at Newmarket High School. Lois started her Masters in Education at OISE taking evening classes and in 1990 finished it by taking three summer schools at St. Francis Xavier University. Her last military posting was back to CFB Borden and the family settled in the Georgian Bay area. Simcoe County District School Board in Ontario was where Lois completed her last 21 years teaching at Collingwood Collegiate Institute. She taught all subjects in Family Studies: Parenting, Foods and Nutrition, Clothing Construction and Textiles, Economics and the Family and Fashion Arts. Because she had a full Science Degree she also worked in the Science Department teaching Grade 9 and 10 Science, Grade 11 Biology.

In 2010 Lois retired after 42 years of teaching. She now needed time to be Nana to Lukas age 10 and Matteo age 3. Teaching all those years certainly gave Lois many practical and life skills filled with creative ideas to become an active grandparent and for sure this is the grandest time!

Effie Beaton attended NSTC from 1980-83. She shared with the NSTC Alumni Facebook group, "I really hope to make it to the reunion this year. If I do, I plan on bringing the Hawk! I want to pass him (her? Them?) along to someone else! I've had him long enough! Let me know if you want this beauty! (I won it in 1983!) "
